INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

James H. Ferguson

Kingston, Tenn., July 31, 1908.

Mr. Guyon Miller,

Washington, D. C.

Dear Sir:-

Your letter of July 14th addressed to Wm. P. Twomy was directed to him by mistake to Harrison, Tennessee when it should have been Harriman, Tenn. Harrison is an old village more than a hundred miles below Harriman.

Wm. Twomy directs me to say in reply to your question as to whether or not he is related to Busby Miles, that he is not related to her in any way that he knows of.

Twomy's claim number is 41684; the other number that you wanted referred to in connection is 18541. I am not connected with the 18541 case, but suppose the proof has developed that the people of these two claims are related.

I have never attached much importance to these Indian claims, and had I known the amount of work involved in collecting them, in case any of the five applications that I represent should be declared to have an interest, ^{the compensation} would not pay anything like a reasonable amount for the work performed.

Since I am in the cases, I wish you would at your leisure (if you have any leisure) advise me when

this roll will be made and the character of proof that
will be required to substantiate these applications.

Yours truly,

James H. Lighton

Relative to your application for participation
in the Eastern Cherokee land claims, your
parents and your grandparents, were never enrolled
as Indians of your ancestor, prior to the treaty of

The only way that your ancestors could have
been enrolled as Indians is by the payment of

COURT OF CLAIMS
EASTERN CHEROKEES.

Rec. JUN 6 1908

No. 10431

Indianapolis 6-4-'08

Union Miller Comr.

Washington D.C.

Sir: In reply to yours of 25th of May I give you information as I have heard it from my mother. I make claim through both ancestors who were from North Carolina and of Cherokee descent. My grandfather, John McGregor, on mother's side, was probably ^{enrolled} ~~in~~ another name as name of McGregor was given him by a Scotch woman who worked among the the tribe, took an interest in him. He went to live with her when in his teens. He left N.C. in the 20's and came to Indiana settled near Vincennes on line of Illinois where he lived continuously until his death, being in Indiana in 1835 & 1851. He was known as Indian John or Cherokee John. My mother was not enrolled probably because she was with her father part of time in '35 and '51, not out of Indian during that time. My father's father, my Grandfather, Welch I know very little of except that he was a descendant of the Cherokees & and, settled in Kentucky and in all probability was there in 1851 because my

father lived there in 1851 coming to Indiana
later, and married my mother all of my
parents were out of North Carolina in 1835-6-46
so I am not able to say if they were parties
to treaties of those dates or not. I was not born
at that time.

Several of the family of Welch and
descendants are now living on reservation
in western North Carolina. None of my
ancestors nor myself were slaves.
I am identified with the colored
race.

Respectfully

Francis D. Welch

something similar.

were that you and your ancestors failed to be selected

My name is Thomas L. Howeth, and I live in Millsap, Tex. I am 29 years old. I claim my Cherokee Indian blood through my mother, Martha Ann Howeth. She lives in Bourbon, Okla. and is 62 years old. I saw her last year. I have heard her talk often of her Indian blood. I think she was born in Mo. She got her Indian blood through both her father and mother. My mother has never made any effort to get land or money in the Indian Territory. My mother's mother was named ~~father~~ Sarah Vanhooser nee ~~father~~ Glover. MY grandfather's name was Isaac Vanhooser. But I do not know where they were born and raised.

Jefferson Jones Gaines,----- being duly sworn,
deposes and says:

My name is Jefferson Jones Gaines. I am 73 years old. I was raised in Elbert Co., Ga. I have lived in Georgia all my life. I was not enrolled in 1851. I do not know why we were not enrolled except that we kept it secret that we were part Indian as we thought we would get along better with the white people. I claim through both parents. My father was ~~James~~ Francis Gaines. He has been dead about 30 years. He was about 77 years old at the time of his death. He was living in Elbert Co., Ga., in 1851. I never heard him say anything about not being enrolled. My father was living in Elbert Co. in 1835. My father said I belong to the Cherokee tribe. My father did not take part in the meetings of the Indians. My father ~~that~~ was not generally recognized as Indian except by some few old people who knew of it. My great-grandfather was Francis Gaines, and my grandfather was Robert T. Gaines. My great-grandfather was Chief of the tribe and did all the trading with the white people. My Aunts were Sally and Morning Gaines. I do not remember hearing of any treaties of 1835 but some of my uncles helped to carry the Indians off in 1835. My great-grandfather had something to do with treaties in 1812 or 1818, or 1800. My mother's name Didama ~~Ma~~Haley, and she claimed her blood through her father, and he was 1/2 Indian but I am not sure that it was Cherokee. I do not think she was ever enrolled. She died during the war and was 54 years old. She talked about the Indians and said she preferred to stay with the white people. Her father's name was John Haley. He lived in Elbert Co. I think I heard some one say that he came from Virginia. I never heard him talk about the treaties of 1835-6. I don't know that he ever lived west of the Mississippi. He had several sisters. One was Betsey. I do not know of anyone else who could tell more than I can about this matter. Henry W. T. Gaines is my cousin (#4456) who claims through the same line.

My name is John M. Bolen; I was born in Rhea Co., Tenn. in 1865: I am forty-three years old: I claim my Indian blood through my father; I think my father was born in Rhea Co., Tenn. in 1808: my father claimed his Indian blood through his father I think: my father's father, I think, was born in S. C.: my grandfather on my father's side moved from S. C. to Rhea Co., Tenn.: I have heard that my family, the Bolens, claimed their Indian blood through Pocahontas. My father claimed to be one quarter Indian: I do not remember of hearing him say what kind of Indian: I do not think that my father or the ancestors through whom I claim were ever enrolled. In 1861 my father lived in Rhea Co., Tenn.: None of my ancestors were ever held as slaves: my father was always regarded as white people. I am always regarded as a white man. I was never enrolled and have never received any money.

COURT OF CLAIMS
EASTERN CHEROKEES.

Rec. JUN 5 1908

No. 30477

Goodman, Mo. 6-1-8.
Appl. No. 40477. FSP.

Mr. Guion Miller Washington, D.C.
Dear Sir—

In reply to yours of recent
will say; I can't tell why my
fore parents were never enrolled
unless it was, my Grandfather
was a white man and married
a Cherokee woman and she
died (I think), about the year
1835, left Pa when quite young.
her name was Fatie Crossie
(I am not certain that is the
correct way to spell her maiden
name) and she is the one
through whom I claim she
resided in Tennessee in the
Indian Tey, at the time of her
death. If any of my ancestors
were slaves I never heard Pa
say any thing about it.

I pass as white in my immediate community.

I cannot tell whether any of my ancestors were parties to the Treaties of 1835-6 and 1846 or not; Pa was a man that never told much of his early life or ever said much about his ~~fore~~ parents I never saw any of my Grand parents on Pa's side and Pa is dead and I don't know where any of his brothers is or I might get the desired information from them. I have heard Pa say he was borned in the Indian Nation and his Mother was a Cherokee Indian and he spent his days with the Indians until his

mother died.

Now if this is not satisfactory
please notify me and I'll try
to locate his brother or half
brother.

Yours Truly Geo. W. Pogue,

P. S. My name is Pogue in-
stead of Payne as you have
it in the letter.

40477

George M. Pogue, being first duly sworn and examined,

deposes and says:

My name is George M. Pogue: I was born in Reynolds Co., Mo., 1869: I claim my Indian blood through my father: I make no claim of Indian blood through my ~~father's~~ mother: my father was born in Tenn., Clay Co., in 1832: my father got his Indian blood through his mother, whose maiden name was Taty Crossery: my grandmother was born in Tenn.: I do not know the county: my grandmother died in Clay Co., Tenn., in 1845: in 1845 I think my father and grandmother were living in Clay Co., Tenn.: in 1881 my father was living in Reynolds Co., Mo.: neither I nor any of the ancestors through whom I claim ever received any money and I never heard my father say anything about being enrolled: I think my grandmother through whom I claim was a three-quarters Cherokee: her husband was a white man: my grandmother lived with the Cherokees. I think, in Clay Co., Tenn.: my father live with the Cherokees in Clay Co., Tenn. from the time of his birth until his mother's death in 1845: I never heard my father say anything any of my ancestors through whom I claim ever going West with the Indians: in the community in which I live I am recognized as having Cherokee blood.

Martha J. Miksell being first duly sworn, deposes and says:

My name is Martha J. Miksell. I live Route 15, Carthage, Mo. I was born in 1852 in Polk Co. Mo. I claim my Cherokee blood through my mother. My mother's name before she was married was Elizabeth Proctor. She was born, I think, in middle Tenn. I don't know what County. She died in about 1866, and was about 33 years old, I think, when she died. My mother died in Polk Co. Mo. She came to Mo. when she was 8 years old as well as I can remember. I don't know whether she lived with the Indians or not in Tenn. There were Indians there, but I don't think she lived with the tribe. I don't think she was enrolled, if she was I don't know anything about it. I have heard my grandmother speak of the Treaty of 1835. Both my grandparents had Cherokee Indian blood. My grandparents were born, as well as I can remember, in N. C. They came to Tenn. during the Indian troubles. My grandparents never lived with the tribe as I know of. My grandparents never received any money or land from the Govt. on account of their Indian blood. They were never enrolled as I know of.

Misc.

Appl. #40482

Stephen A. Killman being first duly sworn, deposes and says:

My name is Stephen A. Killman. I live at Minoy, Mo. I was born in 1853 in Monroe Co. Ky. I was born on the line between Ky. and Tenn. I claim my Cherokee blood through my father, Henry Killman, and his grandmother. My father died in 1896 and was 74 years old when he died. He was born I reckon he was born in Overton Co., Tenn. ~~XXXXXXXXXX~~ My great grandfather came from Va. somewhere between 1835-36 and went to Ky. He was driven from there. My grandfather lived in Tenn. right on the line of Tenn. and Ky. ~~XXXXXXXXXXXX~~ I don't know whether my grandfather was born in Va. or Ky. My grandfather's name was Leaven Tillman. My grandfather's wife's name was Hendricks. My great grandfather's wife was name Jinsie Broadhead, and she is the one through whom I claim. She was a full blooded Cherokee Indian. My great grandmother, Jinsie Broadhead was never enrolled to my knowledge. In 1835 my grandfather, I think, was living in Tenn. I think he moved to Ky. after 1836. My grandfather was driven out of Tenn. to Ky. I don't know why he was driven out. He said some of them were carried out west. He said that there was never any treaty made with my grandfather. My grandfather was not a member of the tribe at the time of the tribe. I do not think my grandfather was ever a member of the tribe. ~~XX~~ I guess my father was living with my grandfather at that time. He was with him all the time until he was a man of his own. My father and grandfather never received any money or ~~land~~ from the Govt. on account of their Indian blood. I don't think either of them was ever enrolled.

Sir:

relative to your application for participation
in the Eastern Cherokee Fund please state why you, your
ancestors and your grandparents, were never enrolled? Were
you and your ancestors prior to the creation of 1832-3
and 1842? Were you clearly the sons of the ancestors through
the line of blood and where that ancestor resided in 1832
and 1842? Were any of your ancestors slaves? Do you mean
the land you are in the community in which you live?

We are sorry that information is necessary to
determine your right to share in this fund.

An early reply will be appreciated.

Yours respectfully,

Special Commissioner.

Yours,

Hon Guion Miller, Special Comr.,
Washington, D. C.

Dear Sir:- In reply to the within letter of May 25, I would say I do not know why my ancestors were never enrolled, or that they were or were not so enrolled, as they may have been for anything I know. None of my ancestors, so far as is known to me, were ever held as slaves. I pass as white where I live and am known. I do not know if any of my ancestors were parties to any of the treaties asked about. I claim through Rachael Ogletree, my grand father's grand mother, who was the daughter of an Eastern Cherokee woman known as "Jack". The woman known as "Jack" married Stephen Mayfield, and they were the parents of my grand father's mother - Rachael Ogletree, (formerly Mayfield), who was the wife of Pleasant Ogletree, my grand father's father. My grand father's name was Reason Ogletree, and I am the daughter of Lex Ogletree, a son of Reason Ogletree, dec'd. As to the Indian descent of Rachael Ogletree, I refer you with pleasure to the following persons who knew her, viz: Millard Ogletree, Sr., James Savage, Sr., Henderson Savage, Route 1, Livingston, Tenn. Rachael Ogletree lived in Overton Co., Tenn., in 1851, if living at that time - that was before I was born. She was born and reared in this County, as I am reliably informed, by Stephen Mayfield, who came here with her mother many years ago from somewhere in east Tennessee where the Cherokees lived, or where some of them lived, at that time - I think in Monroe Co., Tenn. There are many people here who know, and know of, Rachael Ogletree and her parents, and their alleged Indian blood. This is about all I know about the matter.

Respectfully,

Mrs. Elvie A. Christian

Application No. 40505-

Albion Tenn.

June 1, 1904.

Gen Union Miller, Conn.

Dear Sir:- In reply to your inquiry of the 25th ult. I will say if any of my ancestors were ever enrolled I have never heard of it. I do not know why they were not in it. Perhaps they knew nothing of it. I was not born myself in 1851.

I know but little about the treaties of 1835 and 1836, but I hope that my grandfather Alfred Harris was right & should have been a party to said treaties as he was living and east of the Mississippi at those dates, as I understand and he claimed to be and was called a Cherokee Indian. It is my understanding that grandfather Alfred Harris lived in Overton County Tennessee in 1851 and he passed in 1834-5. He lived 1851 in the Hartman Cove about 10 miles southward from Cincinnati.

If any of my ancestors were ever

slaves I know nothing of it,
I pass as white, but it is
at least fairly well understood
in this community and has been
from my boyhood that I am
mixed with the Cherokee blood.

On one occasion, I am reliably
informed, my grandfather who
was very tall with long straight
black hair, was called a
nigger by an enemy, whereupon he
whipped the assaulter and then
told him that he was not negro but
Cherokee Indian. This was done
in 1889.

If I am not mistaken I have
proven the above facts. If my proof
is not sufficient please let me know
wherein that I may have the
opportunity of satisfying you about it.
I feel that my claim is just, and
would be glad to have a thorough
investigation by special agent if
it is needed.

Hoping to hear from you
with any demand for proof that is
needed, I am very truly

Personally appeared before me, a Notary Public in and for the County of Hamilton, State of Indiana, William Porter, 431. Hiawatha Street, Indianapolis, Indiana, who being duly sworn according to law, declares: I am between 75 and 80 years old. I claim my Indian blood from both father and mother. My father's name was William Porter and was born in Orange County, N.C. My Mother's maiden was Jane Burnette. She was born on the Reservation in Orange County, N.C. where the Cherokee Treaty was made. None of our family were ever in bondage, nor were ever enrolled for any money or annuities of any kind. My grandmother, Mourning Jeffries, was a full blooded Cherokee Indian and we were recognized as belonging to the tribe of Cherokee Indians. Both grandfather and grandmother died in or about 1850. I came to Indianapolis in 1835 and have resided in this vicinity ever since. I am recognized in this community as being an Indian.

JUN 1 1908
405/12

State of Indiana,
County of Marion, SS.

Personally appeared Jacob Chandler, aged 65 years, a resident of # 719 Darnell Street, Indianapolis, Marion County, Indiana, who being duly sworn, declares as follows:-

That he is an applicant for participation in the Eastern Cherokee fund, Application # 40512, and in answer to letter of May 25, last, he desires to state that he does not know as a matter of fact whether or not his parents or grandparents were enrolled in the former participation or not, but if they were not it was because they were not in North Carolina at that time.

They had left North Carolina prior to 1881, and were living in the State of Indiana, and if they were not enrolled it was because of this fact. He does not know whether any of his ancestors were parties to the treaties of 1835-6 and 1846. He claims participation on account of his mother's father, whose name was John Evans, and he lived in 1835 and 1851, in Terre Haute, Indiana. None of his ancestors were slaves. That this applicant passes as colored in the community in which he resides.

That he does not know of any other information that he could give which would more clearly establish his title to a share in this participation, but he cites the facts set forth in his application, and those given above, and if there are any other facts required, he asks to be so advised, and the nature of the information desired, and he will try and furnish it.

Relative to the application which you have filed for participation in the fund awarded to the Eastern Cherokees, you are informed that the information contained in your application is not sufficient to connect you with the Eastern Cherokees. You are, therefore, requested to give the following additional information:

Do you claim your Cherokee blood through your father or your mother or both?

You state that your parents were born in North Carolina. In what county were they born and in what year?

From your application it appears that your parents are living. Why did they not apply for participation in this fund?

Give the names of the grandparents through whom you claim your Cherokee blood and set forth the county and state in which your grandparents were living in 1855.

In what county in N. C. were your parents living in 1851?

When did you and your parents come from N. C. to the Indian Territory?

Did you ever make application to be enrolled before the Dawes Commission? If you made such application, please state what disposition was made of the same.

Mr. Guion Miller,
Special Commissioner,
Washington, D.C.

Dear sir,

Replying to your letter of May 25th. will say that I am enrolled on the Authenticated Roll of 1880 as a Cherokee Citizen. My fathers name was George O. Collins, and my grandfathers name was A-chu-la-ha (this spelling may not be correct). My father died too early to receive allotment of land. The Authenticated Roll of 1880 should show my ancestry.

I do not know whether or not any of my ancestors were parties to the treaties of 1835-6, but suppose A-chu-la-ha to have been, as he was a full-blood Cherokee and was with the largest number of full-blood Cherokees at that time. In 1851 A-chu-la-ha lived in the Cherokee Nation, Indian Territory, and from the best accounts I can get from my people he must have lived in the old Cherokee Nation in Georgia in 1835.

My ancestors were not slaves, and I am Cherokee without any negro taint.

My maiden name was Ida M. Collins,- it is now Ida M. Goodale by marriage on August 1st., 1906.

My number on the Cherokee rolls is 12755.

Trusting this satisfactory, I am

Yours truly,

Ida M. Goodale

App. #4514.

Misc.

Ida Mae Goodale, ---- being duly sworn, deposes and says, my name is:

Ida Mae Goodale. I am 41 years old. I live in Coo-wee-scoo-wee District. I was enrolled by the Dawes Commission as a Cherokee by blood, Roll No. I got bread and strip money. I have not associated with any other tribe although my mother is a Delaware Indian. My father is George O. Collins. My father is dead; died about 36 years ago. I think my father was about one-half Cherokee. He lived in this same District and came from Delaware District. I do not know where he lived in 1851. My father had some Delaware blood also, but think he had more Cherokee. My grandfather was a full-blood Cherokee. My father may have been in Kansas in 1851, as they went up there for awhile. The O stands for Owl. He did associate with the Delaware Indians and after marriage came down here and lived with the Cherokees. I don't know whether my father ever received Old Settler money. He got his blood from his father, A-chu-la, or A-chu-la-lah. I think he lived at Spavinaw Hill, Delaware District. My understanding is that he was a full-blood Cherokee; my father's aunt told me this. Her name was Mrs. Sallie Hunnewell. I rather think George Owl was my father's name until he went to school, when he was called Collins. He did not have any brothers or sisters. My grandfather I think had one brother and sister. The ~~and~~ Cockrum's are related. Old Mr. Cochran said I was his niece. I have a brother George O. Collins who has retained his Delaware citizenship. They did not think Owl was a suitable name at the school and changed it to Collins. I have associated with the Cherokees all along. My grandparents were regarded as Emigrants. I do not know whether any of them were ever regarded as Old Settlers. My grandfather was connected with the Cochran's and I think in some way his name was changed to Cochran. Jess Cochran, is dead but has sons; he was supposed to be a cousin to my grandfather. Elie Cochran was a son of Price Cochran. They were some sort of cousins. I think my brother Geo. O. Collins filed an application.

Ida May Goodale being first duly sworn, deposes and says:

I am about 40 years of age. I was born in Kansas and raised in Oklahoma. I was enrolled by the Daves Commission and got my land. I got the strip payment. I have gotten all the Cherokee moneys. I have a brother younger than myself. I got my Cherokee blood from my father. I got my Delaware blood from my mother. I have never gotten any benefits under the Delawares. My mother got land and moneys from the Delawares. George O. Collins was my father. The father of my father was a full blood Cherokee Indian. My father has been dead 38 years. He was 27 years old when he died. He lived in Spavinaw ~~xxxxxxx~~ in 1851. I don't know what district that is in. Probably Delaware or Tahlequah. I don't know whether my father was enrolled in 1851 or not. I never heard that he got money from the government. I don't know any of my father's brothers and sisters. He associated with the Delawares. He lived among them. I rather think he got benefits from the Delawares. I think it was land. That was in Kansas. I don't know whether he got any money from the Delawares or not. Very likely he did because he got the land. My father's parents were both Indians. My grandfather was A-chu-la-ha on my father's side. Don't know whether he was living in 1851 or not. Cochran was a brother of my father. My father was also known as Owl - George Owl. My grandmother on my father's side was a Delaware. I don't remember her name. I have land through the Delawares. I feel confident that my ancestors were Old Settlers, however, I cannot substantiate that.

Quinn Miller:

Dear Sir:- In answer to your questions first, the reason my great, great, grandmother was never enrolled. She married a white man who had much land by the name of Jessie Henry, her maiden name, being Sarah Cheroke or Indian name. As she did not need the Indian money she was never enroller or had any of her children enrolled. She lived and died in Randolph Co. North Carolina. As I did not know of this untill of late years my children or my self were never enrolled.

We don't know whether any
of our ancestors were parties
to the treaties of 1835-6 and 1846
or not

None of my ancestors were
slaves. We pass for white
people here but our great, great,
grandmother Sarah Emore was
was a full blood Cherokee Indian
woman and was recognized as
such. I will correct one mistake
in the first papers I sent in ~~in~~

was Jessie Henley instead of John.
I find by look over the family
record that John was Jessie's
Henley's son.

Sir:-

Replying to your letter relative to the Eastern Cherokee enrollment, you are advised that your application has not been reached for final consideration, and we cannot state at this time whether you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are nearly 44,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

do not know what date.
he lived in Jackson County
Alabama. when he died about
1851. some time before that
he lived in Marion County
Tenn. in a little town by the
name of Gasher. Grandfather
died while I was young.

also my Mother. I was raised
 by my Aunt Jane Glover
 (nee) Copeland, and as an
 orphan had little chance
 to remember the family
 history. all of my cousins
 in Bridgeton, Ala. Jones, Reeses,
 and Glens. have in claims
 and my claims are based
 on the ^{same} evidence as theirs.

I am a white man, and

 of his life. I think, some where in
 the Valley between the Cumberland
 and the Roanoke Mountains, in

it from there had some
an advertisement
in the paper about the
day of the week as some
of the paper read and
I did not know as

when Ella P. Dutton would
be to the Chief of the
County and the people
bought the paper of us
and read it to us now
when I married that
the children I did not

know he had Indian in
 him but after I was married
 and my people found it
 out they begg to get me
 to come home and I would
 not do it and his Mother
 was a daughter of old
 Black Hawk Brownman
 and she said she was of
 the same tribe of
 Indians I will make
 ask to all I write to you
 and I am going to find
 out when Black Hawk
 Brownman died I was
 married in 1854 and
 all people lived with
 me and my husband

untill they died the old
 woman lived between 3 and
 4 years and the old man
 lived about 10 years after
 the old woman died as
 well as I can remember
 I am sure was an Indian
 I should think that
 on account of my people
 not being able to read
 that would be what you
 might call disability
 there are some of my
 poor children of one of
 my sons that are blind
 children if ever I have
 another woman to write
 this for me as I have

H

that I could not write
it. I am the mother of 12
children there are seven
of them living and five
lost only two left my
heirs and left seven the
other three. I sent in all
my children names in
when Richard McBracken
sent in his name as he
did not live here then he
sent an agent and he
got him to send in his
name and I thought
by just sending all the
children names that
was all I had to do
the old people had seen

children now I want
 to know if David
 McBracken got his claim
 fixed up when he was
 in Washington if so how
 could he get his or his
 children get it unless
 they got theirs then
 Ella Dodson says she
 can get hers in March
 I look to see that all
 would have to come in
 at the same time as we
 did not know any thing
 about it we ought to have
 another house we are the

 as David was a Reuther

Dear Sir:-

I have your letter of June 10th., that you have recommended to the court of claims that my application #40536 for participation in the Cherokee claim should be rejected. I would be very much pleased if you would let me know on what grounds you recommend the rejection of my claim. Is it on account of the form not being made out properly and sufficient proof with the same. or what?

I have proof that I am a direct descendant of Black Hawk Bowman, a Cherokee chief, and that my grandmother, Alsey ~~XXXXXXXX~~ McGrackin nee Bowman was alive in 1851 and did not die until 1857, she being a daughter of Black Hawk Bowman, chief of the Cherokees.

You will greatly oblige me by letting me hear from you at your earliest convenience.

COURT OF CLAIMS
EASTERN CHEROKEES.

Rec. JUN 4 1908

No. 41538

4053757

61. Huntsville, Ala. June 1st 1908.

Hon. Guion Miller.

Washington, D.C.

Sir:-

In reply to your recent interrogatories will first say I am a White Man, a strictly pure blooded Caucasian; with about one sixteenth $\frac{1}{16}$ Indian. No, none of my Ancestors were never slaves, but were slave owners.

As to why they were never enrolled; if they were never? I cannot tell you, or as to whether they were parties to the treaties on the dates mentioned I cannot tell you.

I make my claim through my Grandfather, William Vann, who resided in Madison County Alabama, on the dates referred to as I understand, his father Dempsey Vann, came from North Carolina in a very early day.

If none of my Ancestors were never enrolled, or never shared in any of the distributions I don't know why. The most reasonable idea is, my people were so far from the Site of Government and owing to the ^{limited facilities} of both communication and information, ^{it must have been} it was simply for want of information or knowledge as to when these things transpired, I will be glad to furnish you if you desire, ^a Photo. of my Grandfather, hoping everything may be satisfactory. I remain, Very Resp, J.B. Brown.

Misc.

#40539

Joseph B. Brown, being first duly sworn, deposes and says:--

My name is Joseph B. Brown. I live at Huntsville, Ala. I was born in 1862. In Madison County, Ala. I claim through my mother and her father, and his father. My mother was born in 1846 in Madison County, Ala. I think that my grandfather Vann was born in N. C. near Charlotte, but he probably came to this country, Madison County, Ala. when he was a small boy. My mother and grandfather were recognized as white people. Indeed they were. I suppose my grandfather never lived with the tribe after he came down here to Madison County, Ala. when a small boy. My great grandfather, Hiram Vann's father, Tempsey Vann was born in 1783. I don't know where, but it was back in N. C. My grandfather ~~xxxxxxx~~, Hiram Vann, was born in 1810. My great grandfather, Tempsey was certainly recognized as a white man, part Indian. If my mother, grandfather, and great grandfather ever got any money or land from the Government, I never had any knowledge of it. It is my understanding that my grandfather ~~xxxxxxxxxxxxxxxx~~ after he came to Madison County, lived here all the rest of his life. I never heard of my grandfather being enrolled with the Cherokees. ~~My~~ My mother was never about the Indians because she was born in 1846. I don't suppose my grandfather was either. I think Hiram Vann had a brother named Bryant Alexander Vann. I think he had a sister also, named Polly Vann, afterwards named Polly Jones.

Bluford W. Starr, is the son of Bluford W. and Margaret A. Starr, nee McDaniel. His mother was generally called Peggy. I think that they were married after 1851. His mother had two brothers and a sister, John and Samuel McDaniel, and Katie or Catherine McDaniel; married name Keys. His grandparents were James and Nellie McDaniel, nee McIntosh. His ~~grand~~parents were living in the Cherokee nation in 1851 and they, together with his grandparents, were always affiliated with the Cherokee tribe, and were on all the rolls during their lives with the exception of the differential rolls of Old Settlers and Emigrants. His father, Bluford W. Starr, may have been found on the Emigrant Roll with his greatgrandmother, Jennie Wolf, commonly called Granny Wolf, who was living in Tahlequah District in 1851. His mother was an Old Settler. He is about 50 years old.

Dear Sir,

St. Louis, Mo.

Sir:

Relative to your application for participation
in the Eastern Railway and Finance Co. Ltd. your
application was never received. The fact of this
is clearly shown by the fact that the Eastern
Railway and Finance Co. Ltd. was not incorporated
until 1907. It is therefore impossible for you
to have participated in the same prior to that
date. The fact that you have not received
any notice of the same is also evidence of this.

Very truly yours,
The Eastern Railway and Finance Co. Ltd.

Respectfully,
